MUFFLERS, MUFFLERS, PLEASE!** The County assigns two sound monitors, located at the hill between Turns 5 and 6. EVENT SCHEDULE

Friday, January 12th: Mazda Raceway Laguna Seca – Main Entrance (Hwy 68)
6:00pm Gates Open to Paddock Area

PLEASE NOTE: Another group has the track rented for the day and we are unable to access the paddock for set-up, Tech & Registration until 6:00pm. Teams arriving early may queue in the Lakebed Parking Lot area until the paddock has been officially turned over to Lucky Dog by the track management; see Track Facility Map on last page. **AND NOTE THAT LUCKY DOG STAFF WILL NOT BE ON PROPERTY UNTIL 3:00pm'ish; please stay out of the doghouse with the track in our absence 😊**

Tech & Safety Inspection and Registration will be conducted in the paddock area. When the track and garages are turned over to Lucky Dog, our staff will provide pit lane and garage assignments...don't not just stake out a garage or pit lane on your own. It's our intent to place garage rental teams in the adjacent pit lane spots, and paddock area.

6:00pm – 8:30pm **TECHNICAL SAFETY INSPECTION & REGISTRATION/PADDOCK***

** If you are unable to make Tech & Registration on Friday night, please contact us ASAP at chris@RaceLucky.com to make other arrangements. We have an early Saturday schedule that makes for a hectic morning getting teams on track.*

7:30pm – 8:30pm

Novice School & Track Overview – FREE, all are welcome; new (required) & rusty drivers. We have fun and you might just learn a thing or two about the nuances of how to successfully drive this track. Bring a chair & your favorite beverage. Located in the Paddock Classroom.

Overnight Hours Gate will be open all night to accommodate late arrivals; Lucky Dog has rented 24-hour security so in & out privileges are provided.

Friday Night Paddock Access & Camping

We typically don't have access to the paddock or camping on Friday night (track charges an add'l \$2,000 per night); but we're taking a leap of faith that all teams are willing to **chip in \$50 per team** so that you all can set-up your garages, pit lanes, paddock space and get settled in the night before the event. This "access fee" will be collected at Registration. There is also a gorgeous county park camping adjacent to the track is available in the Chaparral and Can-Am Circle "C" Campgrounds for \$35 per night (see map on final page of this document). Reservations for the campsites are made directly with Monterey County Parks at (888) 588-2267.
