3:00pm UPDATE RE: PADDOCK & PITTING 5/30/2018: After careful consideration by the track's management, we WILL now be using pit lane and assigning pit stalls. Due to the size of the field, we will be sharing pit stalls as well (which we successfully do at most of our events). If you wish to share a stall with a specific team, please email us at info@RaceLucky.com no later than 8pm on Weds., May 30th. The final pit lane assignment map will be emailed to all teams no later than Thursday morning, as well as posted on the website, social media & Forums (as well as distributed at the track on Friday's Tech & Reg).

Paddock spots will not be assigned; space will be available on a first-come, first-serve basis. When setting up your paddock space, please minimize the excessive use of RV awnings & canopies... we need to accommodate everyone. No essential vehicles/trailers should be parked away from the main paddock area in the consideration of space. Please be very aware of two-way traffic, spectators, pets, etc. The 10 mph paddock speed limit will be mercilessly enforced and you may get a trip to the Dog House. We have a new speed gun to test out for this race 😊
