SPECIAL ANNOUNCEMENTS!

Salute to Our Troops:

Lucky Dog is honored to recognize all branches of the military this event weekend! Working with local military and veteran organizations – including Heroes Motorsport and our new partner [BattleForged Nation](#) – we have invited area soldiers and their families to come join us for a fun weekend of racing action and to meet our teams. Your race will kick off on Saturday with a color guard, presentation of flags, National Anthems and to make things even more interesting, we will have teams who are representing the various military branches in the US and Canada.

If your team would like to represent a branch of the US or Canadian military branches, please email us at info@RaceLucky.com. These teams will receive a car decal of the branch they are representing. *Will US Army beat the Royal Canadian Air Force?!*

Special Guest:

Johan Schwartz

We're excited to have **Pirelli World Challenge driver Johan Schwartz**, a three-time Guinness World Record holder for the longest continuous drift (232.5 miles!), precision driving instructor for BMW and 2015 Pirelli World Championship winner with us for this Portland race! Originally hailing from Denmark, Johan's passion with cars began at age six when he came up with his own rating system for cars listed in an annual consumer guide book. Johan started his racing career on the family farm when the fields were harvested and the ponds froze over. Johan came to the US to finish his college career, which included his MBA, and to pursue racing on regular basis. Johan will be practicing with the #37 Red Line Oil Racing BMW in preparation for the Pirelli World Challenge event to be held at Portland Int'l Raceway in conjunction with the Rose Cup Races the following weekend on Friday, July 13, 2018, piloting the #80 Rooster Hall Racing BMW. Learn more about Johan at <http://www.johanschwartz.com>.

Drop Johan a note on his [Facebook](#) page and let him know the dawgs are excited to meet him!

Portland-based Heroes Motorsport was formed by veterans to support and encourage their fellow veterans and first responders who have been affected by their service in the line of duty, by providing the opportunity to engage in motorsports and become part of a community.
