Asphalt Care/Spills: Paddock damage caused by heavy pedestals, jacks/jack stands or fuel/oil/chemical spills are the responsibility of user and subject to steep clean-up/repair bills paid by the team (not Lucky Dog), ORP takes spills very seriously; quickly notifying track personnel will minimize the damage. **It is recommended that teams keep five (5) gallons of water handy in their pits for this purpose to minimize damage.**

Showers/Bathrooms: YES, the track has awesome real bathrooms and showers!

Food Concessions:

TRACK FOOD

IF YOU PLAN TO EAT AT THE TRACK FOR BREAKFAST OR LUNCH ON SATURDAY AND SUNDAY, WE HAVE TO ORDER THE MEALS IN ADVANCE. THERE IS NO ONSITE, DROP-IN SNACK SHACK. Order before Sept. 7th by emailing info@RaceLucky.com. Please indicate which dates you want which meals, for how many people, team name/car #, etc. You will pay for and pick-up your meal tickets at Friday's Registration. The raceway food concessions will be open during the event for breakfast & lunch (\$12.50) with advance arrangements only with the track Breakfast 6:30am - 7:55am and lunch from 12:00pm - 1:30pm. Btw, the food at ORP is off the hook, not your usual track fare. They usually feature St. Louis BBQ ribs, rotisserie chicken, pancakes, egg scrambles, etc. Don't forget we are feeding you on Saturday night; you must RSVP to info@RaceLucky.com. Not many offsite food options, but see <http://oregonraceway.com/our-partners/food/>.

Friday Dinner Recommendation: Lean To Café & Goose Pit Saloon in Wasco (about a 20-minute drive) is a good choice for dinner, but they do better with a heads-up so they don't run out. If you give them enough warning, they will do a Prime Rib on Friday by request. See <https://www.yelp.com/biz/lean-to-cafe-and-geese-pit-saloon-wasco-2>

BBQs: BBQs are allowed in the paddock area provided they are supervised at all times, a fire extinguisher is within 20' of the open flame and are located at least 30' from race cars & fuel sources. **NO CAMP FIRES; HIGH FIRE DANGER AREA!**

Pit Vehicles: Pit vehicles are allowed in the paddock (but not anywhere else on track or off pavement, hills, etc.), and must obey the 10 mph paddock speed limit. No one under 16 allowed on any ATV, golf cart, motorized bike, scooter or skateboards.

Friday Track Walk: People may walk or ride a bicycle on the track after hours with permission from track management. Nothing motorized; no scooters, golf cars, race cars, passenger vehicles or skateboards.

Drones: At no time during the entire weekend (hot track or not), drones of any sort are not allowed to be flown at the track.

Race Equipment Vendor: There will not be an onsite equipment/gear vendor for this event, but the track does sell Pyrotech equipment. But take advantage of advance ordering from our series sponsor via the following Pyrotech dealers:

Racetech Motorsports/Russ Nyberg <http://www.racetechmotorsports.com/>
 503-839-8071 fabman@racetechmotorsports.com
Armadillo Racing/Andy Collins <http://armadilloracing.com/>
 360-698-2433 Andy@armadilloracing.com

Radio Equipment Vendor: While there will not be an onsite radio vendor, we highly recommend series sponsor Shawn at www.SampsonRacing.com or 866.396.7231. Order in advance. They offer a 15% Lucky Dog discount too!

Area Lodging: Given the somewhat remote location of the track, there is a limited number of lodging options in Grass Valley, OR but definitely more hotels in the extended region as listed on ORP's website at <http://oregonraceway.com/our-partners/lodging/>.

Weather: We're racing regardless of the weather, chupacabras or eclipse stragglers ☺
