EVENT SCHEDULE

12/17/2020 UPDATE: THIS EVENT IS A GO PER THE TRACK! NOTE THIS IS A NON-SPECTATOR / PARTICIPANT-ONLY EVENT DUE TO COVID-19 HEALTH PROTECTION GUIDELINES (i.e., drivers & essential crew only). WeatherTech Raceway Laguna Seca management remains flexible during this time given the COVID-19 situation and is working with Monterey County to ensure compliance with safety and health measures for scheduled track rentals and events. Anyone entering the Laguna Seca Recreation Area must wear face coverings, practice social distancing and respect all posted and announced protocols. Anyone entering the paddock must additionally have a temperature check and comply with all staff instructions. As new information is received from the County of Monterey health officials and leadership, we will update this information. Please be flexible with us, the track, and each other as this is a fluid situation; we are all working towards the same goal of finally being back at the track safely but things can evolve.

LAGUNA SECA COVID PROTOCOLS FOR ALL ATTENDEES:

- This event is Participant-only (drivers & essential crew only); bring a minimum number of people, not your entire fan club!
- All Drivers must be registered with Lucky Dog via the Raceday system in advance no later than Sunday, Jan. 10th via www.RaceLucky.com; no onsite registrations. Crew does not need to be registered in Raceday.
- ALL ATTENDEES ON PROPERTY MUST COMPLETE A REGISTRATION LOG/VEHICLE PLATE LOG no later than Sunday, Jan 10th at www.LuckyWaiver.com. This gets you on the track entry list; your ID verified as you enter (e.g., driver's license) & you will be issued a track wristband.
- To streamline paddock gate entry, please complete, print off & bring your Track Liability & Communicable Disease Release Waivers with you. [CLICK HERE](#).
- Track's COVID protocol also requires that only two (2) people per vehicle/RV coming into the paddock are allowed. Break up your posse over a number of vehicles or it will be a hassle to shuttle your team in one person at a time.
- As you enter the facility, a no-contact temperature will be taken. Temps over 100.4°F and you will be turned away.
- Dogs are not allowed at the raceway & we strongly discourage bringing kids to this event (you must be at least 18 years in order to even be on cold pit lane).
- 100% mask usage is required by all attendees, all the time, except when you are wearing your helmet driving a car. Failure to comply with mask rules (regardless of political or medical reasons), you will have to leave the facility.
- No social grouping is allowed on track or pit lane. No more than six (6) people allowed in any one area AND 6 FT DISTANCING must be adhered to.
- Paddock spots & pit lane stalls must be separated by 8 ft between vehicles & will be assigned; Lucky Dog will provide a Paddock and Pit Lane Assignment Map prior to the event. All requests for neighboring pit stalls, paddock spots & garages must be emailed to info@RaceLucky.com absolutely no later than Dec. 31st.
- Drivers Meeting will be held outside garages; 100% mask compliance & 6 ft social distancing.
- All social media or promotional postings are discouraged as the track's continued ability to operate can be swayed by public opinion.
- For those teams with confirmed garage rentals, doors must be open at all times and only one car per garage bay (alternating when possible).

They give teams **three (3) chances to correct any sound issues during the entire 2-day event (not per day) and then they put the car on the trailer (no refunds).** And there is nothing the Lucky Dog staff will be able to do about it ☹ Please ensure your exhaust systems are whisper-quiet prior to arriving at the track.
