

PIT LANE REGULATIONS

- ✓ View Fueling Safety Video at www.LuckyFuel.net
- ✓ Car must come to a **complete stop** before crew, tools, or fuel jugs go over the wall.
- ✓ All engines & electrical **kill switches must be OFF** during fueling
- ✓ Max 5 people over the wall at a time, includes driver.
- ✓ **DRIVER MUST BE OUT OF CAR DURING FUELING!**
- ✓ **No staging** of fuel jugs, crew or tools on OR over the wall.
- ✓ One 5-gallon fuel jug at a time over the wall.
- ✓ Those involved in fueling must wear a Nomex driver suit, gloves, race shoes (no tennis shoes or work boots) & full-face helmet, visor down!
- ✓ Once **gas cap** is removed, **no working on car!** No cleaning lights or windshields, no cool suits, no tire temps/pressure, no GoPro's, etc.
- ✓ One crew member must **intently manage the fire extinguisher** & be stationed on hot pit lane (not over the wall from the cold pits) no less than 10' from vehicle fuel point. Extinguisher must be pointed at fuel opening as long as the cap is off. Any distraction is considered a fueling violation.
- ✓ During **Red Flag**, no working on car. All work must come to a complete stop, including fueling. Replace gas cap on car until advised otherwise by pit marshals.
- ✓ **All repairs over 30 minutes** time must be completed in paddock
- ✓ Pit Lane speed is **25 mph** (2000 rpm or 2nd gear); paddock is **10 mph**.
- ✓ On pit lane, never ever have your back to the track or oncoming traffic.
- ✓ Treat event staff & pit marshals with respect; they're keeping you safe!
- ✓ **CARELESS FUELING PRACTICES & SPILLS WILL RESULT IN A FUEL VIOLATION CONE & A VISIT TO THE DOGHOUSE!** Chief Race Steward, Technical Director & Black Flag Steward have final word.

PIT LANE SUPPLIES

- ✓ Must have a fully-charged 10LB ABC rated **fire extinguisher**
- ✓ Bag of kitty litter or absorbent for spills
- ✓ Broom & Dust Pan
- ✓ Approved 5 gallon race fueling jugs, non-leaking
- ✓ A metal or sturdy, chemical-resistant, vacuum-formed plastic **catch pan** (min. 3" lip, holds min. 1+ gallon of liquid)
- ✓ Tape or chalk to visibly **mark the hot pit lane wall with your car number** (please remove at end of race)
