

Track day teams may set-up in their paddock spots adjacent to the pit lane stalls assigned for the weekend. We will be using the new extended pit lane and assigning stalls (approx. 12' - 13' each, which means no larger than 10x10 canopies). Pit Lane & Garage "neighbor" requests must be made no later than April 17, 2023 to Registration@Racelucky.com. When setting up your paddock, **only one RV, Trailer or Transport Vehicle per team in the paddock and please minimize the excessive use of RV awnings & canopies...** we need to accommodate everyone. If your set-up does not fit in the main Paddock A (i.e., too wide or too long), you can move to the overflow area in Paddock B. Garages are assigned and parking outside the garage bays belongs to renters. **ALL extra passenger vehicles, trailers, etc. need to be parked outside of the immediate paddock area as directed by the track management.** Please obey all fire lanes!
