The Final Season of Pitt Race

A message from Jim and Kathy Stout -

When the checkered flag is thrown, the green flag is waved for the next race. Pitt Race has been our passion. We strived to make Pitt Race a premier motorsports destination. With much thought, Jim and I decided to step away from ownership of the facility. We thank our loyal customers, our dedicated vendors and sponsors, the unwavering supporters, and mostly our dedicated and passionate employees.

IMPORTANT REMINDERS

Hankook announced in August 2019, LDRL teams are to now run endurance racing's most popular, reliable & affordable tire...Hankook's Ventus R-S4 starting January 1, 2020 WHICH MUST BE PURCHASED THROUGH HANKOOK MOTORSPORTS ONLY (e.g., can't be purchased via a regular Hankook dealer and are strictly for purchase by LDRL teams only). Lucky Dogs will now have access to guaranteed stock (15 sizes), exceptional discounted pricing, expert support and \$3,000 free tires awarded at every event*! Complete program details, including exemption info, having Hankook create your account for you and TO ORDER, click [HERE](#). **QUESTIONS:** Any tire or order questions should be directed to Lucky@HankookMotorsports.com or call 800-287-5013. **TIRE PURCHASES RECOMMENDED 2-3 WEEKS IN ADVANCE TO ENSURE DELIVERY** (due to any shipping or freight interruptions).

DOOR PANELS/NUMBERS: Teams will not be required to run the usual mandatory Lucky Dog door panels as we build this new Northeast region. You are more than welcome to run the numbers currently on your car (provided they are visible enough per LDRL's rules), or you may order a set for LDRL's supplier www.TeamLMS.com, or we also provide you the artwork files for DIY printing!

Lucky Dog has sourced an online number panel self-service option for the series; **we will no longer be distributing free panel sets at races**. We are pleased to announce that [Lucky Graphics Solutions \(www.TeamLMS\)](http://www.TeamLMS.com), owned by one of our teams, is our "Official Decal Dawgs of Lucky Dog Racing League," providing quality laminated panels, driver names & trailer decals at a great deal! For this CMP event, teams will have the option of downloading [SOURCE ART FILES](#) to print themselves OR ordering them online via LDRL's preferred decal vendor above. Panels are 13.5"W x 18.5"W, three (3) are required (each door and the roof or hood for convertibles), and numbers are to be in Trade Gothic font (font file is provided for DIYs). **Teams will continue to receive their Hankook windshield banners, small bumper number & series decal packs during Friday's Tech Inspection (which are required to be applied before entering the track).**

NEW TEAMS: PLEASE CONTACT US IN ADVANCE TO SECURE YOUR NUMBER by emailing Registration@RaceLucky.com.

CELEBRITY DRIVER RANDY POBST! Lucky Dog welcomes back pro road racer, MotorTrend Magazine track tester, TV commentator & SCCA World Challenge Champion GT "The Rocket" [Randy Pobst](#), who will be campaigning his own car the Flying Moose! As a long-time supporter of grassroots endurance racing and Lucky Dog, Randy may be available for a stint in your car to show you what it's really capable of doing! To keep it fair, we do have a "Randy Rule." He's limited to a 60 minute stint in your car for enduros & subject to the Too Fast/Super Dawg laptime. It's a cool experience as you receive a special decal, he autographs your car and takes photos with your drivers. Perhaps a little bit of Rocket Dawg will rub off on your team.
