GREEN FLAG!! Official race start is 10:00am regardless of when flag is actually dropped.

4:45pm

Pit Lane Closes; if you come in after 4:45pm, you're staying. More on Parc Fermé below.

5:00pm

BLACK FLAG ALL/ Parc Fermé/Cars Park on Pit Lane Track Wall in Position!!

Race ends at 5:00pm regardless of stoppages during the day; sunset is 4:48pm. Addi'll guidance regarding Parc Fermé (i.e., choosing to work on your car overnight vs. staying in position for Sunday's restart) further explained in detail below.

Parc Fermé Explained:

Parc fermé, literally meaning "closed park" in French, is how Lucky Dog manages a two-day cumulative race during a championship. **Pit lane will close 15 minutes before Saturday's "black-flag all" 5:00pm checkered flag; CARS MAY NOT LEAVE OR ENTER PIT LANE AFTER 4:45pm.** **If you enter the pits of your own accord or due to mechanical failure, you cannot start the race until 20 minutes after the green flag on Sunday morning.** If you're already in the pits/paddock, or need to pit after that point, you will start 20 minutes after the green flag on Sunday.

When the race ends at 5:00pm Saturday, teams still on-track will park their car on the front straight track wall adjacent to the track on pit lane (in order to preserve your track position)...BUT NOT IN YOUR PIT/PADDOCK STALL. At this point, all cars are parc fermé and cannot be touched or worked on for any reason including tire temps/pressure, cleaning windows/mirrors/lights, cooling shirt system servicing, fueling, etc. However, you will be allowed to cover your car for the night AND you may remove items that require charging such as your transponder, data telemetry & GoPro's.

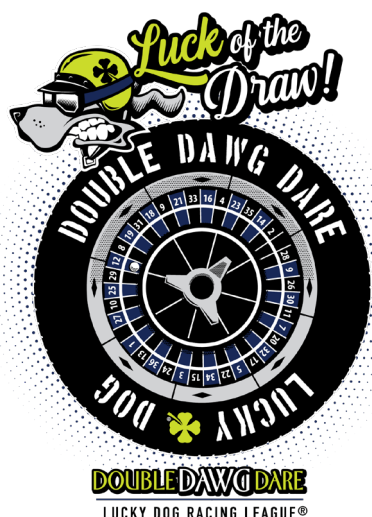

SAT. DINNER PARTY RSVPS DUE BY NOV. 14TH

ONLY \$25 PER PERSON **ADVANCE RSVPS ONLY**

If you have chosen to Parc fermé, you cannot work on your car or fuel on Sunday until you have resumed racing and have **taken at least one green flag lap**, and then return to your pit/paddock stall. If you have chosen to come into the pits/paddock on Saturday night to work on your car, you will be able to start Sunday's race after 20 minutes of green flag racing by your competitors. If your car becomes disabled on track in the last 15 minutes of Saturday's race and you are towed in, you may work on the car overnight and rejoin with the rest of pit lane 20 minutes after the green flag Sunday morning. If your car will not start Sunday morning on track, you will be towed in and can start racing 20 minutes after the green flag, provided you can fix it that fast.

BE ADVISED THAT CARS ON PIT LANE WILL HAVE LIVE VIDEO FEED THROUGHOUT THE NIGHT VIA LUCKY DOG'S EVENT STREAMING ON OUR SOCIAL MEDIA PAGES... fellow racers will be watching like hawks. Don't even look at your car 😊

5:00pm – 6:00pm Lucky Dog Pasta Feed for \$25 per person; professionally catered pasta dinner, salad, dessert & beverages). Keep your Saturday night easy without having to cook or track down an open restaurant. **RSVPs due to Charlene at Registration@RaceLucky.com or purchase dinner tickets via Raceday during online registration no later than November 14, 2025.** Please let us know if you require a vegetarian option (i.e., meatless sauce). Team captains will receive dinner tickets at Friday's Registration; **No onsite dinner ticket sales.**

LUCKY DOG CASINO NIGHT: Lucky Luck arrives at Thunderhill, turning the clubhouse into a casino immediately following dinner from 6:00pm-8:00pm. **Monte Carlo attire welcome & encouraged!** Everyone is welcome and will be issued a starting kitty of \$25,000 in play chips to "invest" at the craps table, roulette, Blackjack & poker tables. After two hours, chips will be counted, raffle tickets issued to players to buy raffle tickets with their earnings to win a top raffle prize.
