At this point, all cars are parc fermé and cannot be touched or worked on for any reason including tire temps/pressure, cleaning windows/mirrors/lights, cooling shirt system servicing, GoPro adjustments, etc. However, you will be allowed to cover your car if it's raining. You can resume fueling or working on your car once racing has resumed and **you have taken at least one green flag lap**; you can then return to your pit stall or the paddock. Parc fermé, literally meaning "closed park" in French, is how Lucky Dog manages this 1-hour break in the middle of the race; it's simply like pushing the pause button in the middle of the race. **Note that pit lane will NOT close early prior to 11:00am; however, all teams must serve their mandatory 2-hour pit stop for 5 minutes either before the break or just after you have taken one green flag lap. TEAMS CHOOSING TO GO TO THEIR PITS OR PADDOCK during the break will not be able to rejoin the race until 10 minutes following the first green flag lap.**
