**ONLY ONE CAR PER GARAGE PER RIDGE MANAGEMENT**

Track day teams may set-up in their paddock spots adjacent to the pit lane stalls assigned for the weekend. We will be using the extended pit lane and assigning stalls (approx. 14' each, which means no larger than 10x10 canopies). Pit Lane & Garage "neighbor" requests must be made no later than April 18, 2026 to [Registration@RaceLucky.com](mailto:Registration@RaceLucky.com). When setting up your paddock, **only one RV, Trailer or Transport Vehicle per team in the paddock and please minimize the excessive use of RV awnings & canopies...** we need to accommodate everyone. If your set-up does not fit in the main Paddock A (i.e., too wide or too long), you can move to the overflow area in Paddock B. Garages are assigned and parking outside the garage bays belongs to renters. **ALL extra passenger vehicles, trailers, etc. need to be parked outside of the immediate paddock area as directed by the track management.** Please obey all fire lanes!

LUCKY DOG ENTRANCE

Track Day teams may stay overnight in the GRAVEL HOLDING LOT OUTSIDE of the track on Thursday April 23, 2026 starting at 7pm & enter paddock on Friday at 7am.

NON-Track Day teams may enter after 4pm on Friday 4/24/26
